PENTECOST SUNDAY

It happened that a young girl went to market on her bicycle in order to buy something. However, there was simply no place to park in her bicycle. So the young girl went to a nearby church and made a request to the parish priest if she could park her bicycle on the parish compound. The priest granted the permission without any hesitation.

"Is it safe here, Father?" the girl asked the priest and concerned that someone might steal her bicycle." Of course," said the priest. "The Holy Spirit will keep watch over your bike. But first, let's go inside the church and pray." They all knelt down and made the sign of the cross, however the young girl said: "In the name of the Father and of the Son. Amen." The priest interrupted her. "You forgot the last part, 'and of the Holy Spirit daughter?" The young girl replied: "We should not disturb the Holy Spirit. He is watching over my bike!"

Congratulations to all the children who celebrated their First Eucharist.
